

Commander.IHelp

```
graph BT; A[Commander.DefaultHelp] --> B[Commander.IHelp];
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'Commander.IHelp' with a light gray fill and a black border. Below it is a box labeled 'Commander.DefaultHelp' with a white fill and a black border. A solid blue arrow points vertically from the top center of the 'Commander.DefaultHelp' box to the bottom center of the 'Commander.IHelp' box, indicating that 'Commander.DefaultHelp' inherits from 'Commander.IHelp'.

Commander.DefaultHelp
